YEAR 11 PHYSICS PRACTICAL 5054/32

The above examination coincides with the celebration of the Golden Jubilee of His Majesty's Ascension to the Throne on Thursday, 5th October 2017. We have been given permission by the Ministry of Education (Ref: BE/G/2/2017 dated 14th September 2017) to conduct it in St. George's School.

Herewith, we would like to inform you that most of the roads within the vicinity of Bandar Seri Begawan and especially those along Jalan Tutong (starting from the Royal Palace to Bandar Seri Begawan) will be closed to traffic before **5 am**. We therefore, seek your co-operation to send your child/ward early (by **7.30 am**) to either of these two check-points assigned:

1. Jubilee Park through Kiulap Commercial Area – Teacher-in-charge: **Balthaneal Goderic** (Tel: **7125491**)
2. SMJA's Car Park (nearby Mabohai Petrol Station) – Teacher-in-charge: **Mr Aywen Chak** (Tel: **8900285**)

For those students who are staying near the school area, they can walk to the school to report at 8 am. Should you encounter any difficulties to reach the designated check-points, please contact the respective teachers (as stated) immediately.

Please fill in the reply slip below and return the completed reply slip to the Teacher Aywen on/before **Monday, 2nd October 2017**.

Also, please make sure that your child/ward is provided with home-packed breakfast and lunch inbetween as the school canteen would be closed on that day. He/She should also have sufficient drinking water to prevent dehydration or thirst. We encourage your child to bring extra school P.E. clothing to change, and an umbrella to shelter from the rain or intense sunshine. Students have to bring all necessary stationery and documents (IC/Passport) for the examination also.

The first batch for practical examination will start at **11.30 am** and can leave only at **2.30 pm**, while the second batch starts at **2.00 pm** and can leave only at **4.30 pm**.

Thank you for your cooperation.
